Front-End Hardware

Overview

Crystal Instruments currently have several products that are network-based – Spider-20/20E, Spider-80X/80Xi, Spider-80SG, and Spider 81/81B. Each product is designed by state-of-art technology to meet various needs. The Spider-20/20E are not included in this manual but is described in detail in Spider DSA manual.

Comparison Table of Spider Series

Spider-80X

Spider-80Xi

Spider-81/81B

Spider-SG/SGi
